Re: Sponsorship Request

Dear

I would like to take this opportunity to introduce myself and our team of volunteers here at South West Florida Horse Rescue, Inc. (SWFHR). We, Tina Garrett and Matt Venaleck, founders of SWFHR, started our mission to save the lives of our local horses in early 2010. We solely funded our horse rescue until achieving our 501c3 non-profit charitable organizations status in 2013. Subsequently we were awarded a private grant from The Fred and Jean Allegretti Foundation in April 2014. Their primary goal is to provide an improved quality of life and dignity for mankind and animals alike through humanitarian support. They felt our mission complimented the intended goals and objectives of their foundation. This grant enabled us to purchase a 40 acre property to start our vision of a quality and safe environment for our rescues.

Over the past three years, with the help of many dedicated volunteers, we have rescued over 100 neglected, surrendered or abandoned horses. We have grown from being able to accommodate 8 rescues at any given time, to now having the potential to aid approximately 25 horses in their safe recovery and to then adopt them to loving families. Our vision is to, rescue, rehab and re-home our local horses by giving them the best of care in a safe and secure environment.

We are proud to announce our Grand Opening of South West Florida Horse Rescue's Facility Fundraiser on April 1-2, 2017, and we would be honored to have our community join us in this celebration. We are planning a family weekend full of fun activities, tours of our facility, meet and greet with the rescues and education to raise awareness of basic horse care, horsemanship fundamentals and the genuine need for horse rescue in our local area.

We have been fortunate to have an outpouring of support through our many volunteers, a local band and a professional photographer kindly donating their time and services.

We know, in order to run a successful event, we are better together as a community and would appreciate your support. We have chosen you because we think your mindset is in alignment with ours, giving back to our local community benefits us all. Let us come together to stand out as an example to others that there is strength in numbers and together we can accomplish more!

Sincerely,

Tina Garrett, President, South West Florida Horse Rescue, Inc.
