How You Can Participate

Sponsors: Our Chili Fest will draw a large crowd, ensuring your business gets significant exposure, both pre-event and the day of the event.
Vendors: We are limited on how many vendors we can allow, and we would like to have vendors who offer something that fits our audience.
Gift Baskets: Raffle Row is a crowd favorite, and each year it grows bigger and better than the year before. If you have a gift basket or gift items to donate, we welcome them all.

South West Florida Horse Rescue (SWFHR) is dedicated to rescuing, rehabilitating, and rehoming horses from distressed, neglected, or abusive situations.

As a community partner, your participation in this event will contribute to its success and provide valuable support for our cause.
